Our New Uptown Menu Will Rock Your Dining

Thanks to the University of Minnesota for granting me a degree in psychology, and saving me from a career as a rich and famous rock star.

At The U, I rode a tennis scholarship to four Big Ten Tennis Titles. I was All-America my sophomore year. Then a career-ending injury blew up my elbow like a cheap firecracker.

So here I am in the land of enchantment where the blue sky says, "Golf Me." Every Casino's got your number. And Uptown is where your friends are.

Yes, I own **Uptown Sports Bar & Grill**. I love Uptown. In my dreams, there was always an Uptown. And you were always there.

Our new menu guarantees "fresh" for every item, even the sauces are made from fresh ingredients. From appetizers, soups and salads to entrees, sides, pastas and desserts, Uptown offers a new, deliciously-different dining experience that make your taste buds say, "Whoa Nelly!"

By the way, we will cater your special event or meeting. Warning! Be prepared for the compliments you'll receive when you ask for **Uptown Catering**, 'cause it happens every time.

Here's my last jump shot.

Uptown Sports Bar & Grill is a top-rated, family & friends sports joint you can count for something that's real important to you.

Your friends are here!
